

Daily Scrum or Standup Meeting

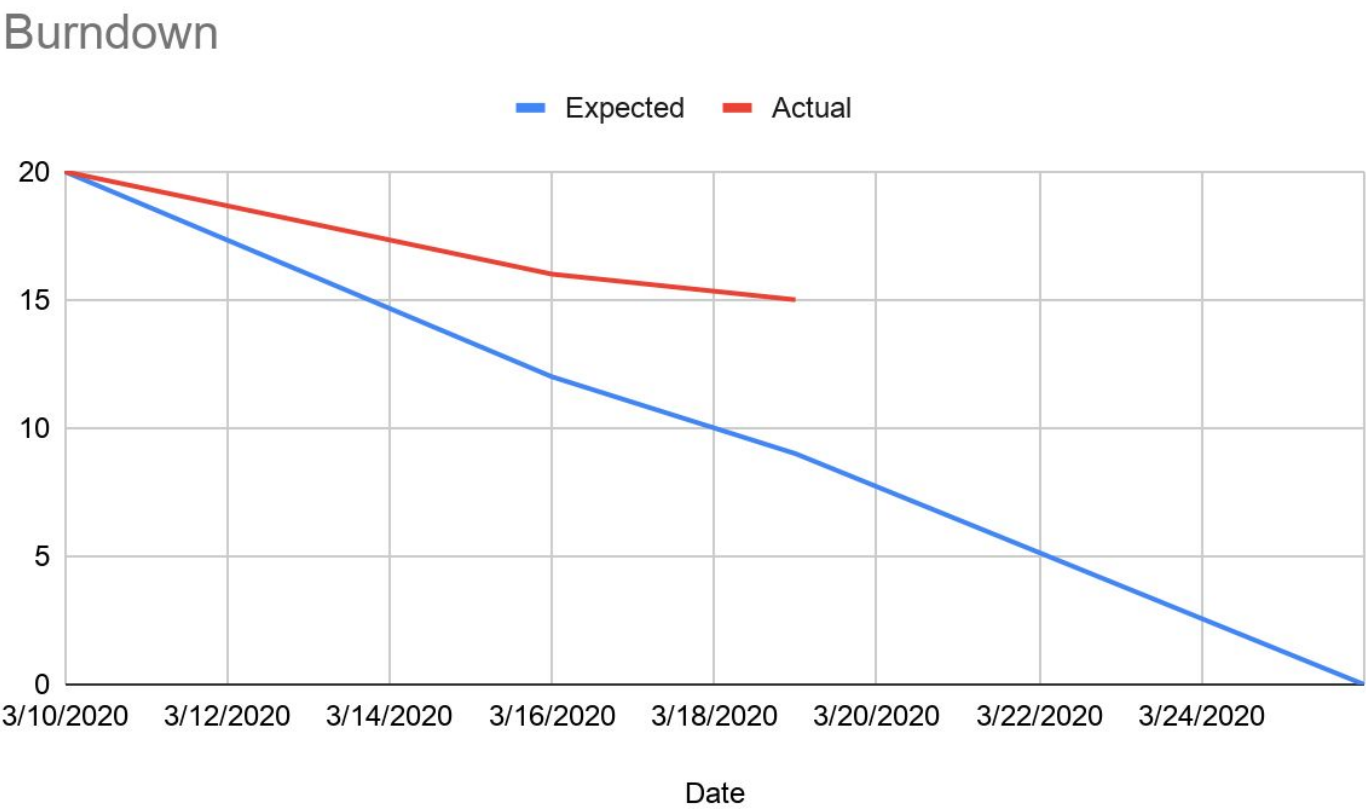

Team name: Team 8

Scrum Master: Connor Geslin

Date: 3/19/2020

Team Member	What did you do since the last scrum?	What do you plan to do before the next scrum?	What obstacles do you have?
Sally D.	-Finished the static welcome/login/signup pages. -Made some new routes and a very simple items list!	-Make a static auction page with a title, location and list of items which will link to a detail view of an item. -Get going on the login page functionality	Other classwork Corona... Tailwind and styling stuff:(
Connor G.	Finished ban unit test. Looked over my other Assigned Tasks. Thought of ways to incorporate an admin/privileges.	Work on my other issues which are assigned. Understand how to incorporate the database lists into the front end. Work with Hunter on things and maybe Sally on frontend parts for my issues. Get lists of winners/items done.	life, CoronaVirus, my other classes, understanding the project fully still, and my lack of desire to do anything.
Hunter H.	Items Backend	Items API? Multiple types of items in the database.	Need the auctions API to be completed. Coronavirus, lack of productivity at home.
Colton H.	Made working a skeleton api for bidding Unit tests done for the bid db.	Get the binding api working	API framworking syntax front end interface expectations.
Jace L.	Finished up the authorization api got a slow start on the auction api	Finish the auction api start on something else.	ditto ^ weird bugs that shouldn't be happening. Coronavirus
