Sprint 1 Retrospective

- What went well?
    - Docker is setup and is running
    - We able to build the project
    - Communication is working well between the team.
    - Hunter has been accomplishing lots of things.
    - Everyone Contributed.
    - Basic outline of everything is set up

- What went bad?
    - Other classes
    - Coronavirus
    - Spring Break
    - Not all of us fully understand the project.
    - We didn't finish all of our stories.

- What can we do to improve
    - Ask more questions.
    - Focus more on the project than other classes.

- Metrics
    - Task assigned compared to tasks completed in a percentage.
    - Hunter: 100%
    - Connor: 0%
    - Sally: 0%
    - Jace: 0%
    - Colton: 0%

- Percentages for metrics
    - Hunter: 50%
    - Connor: 10%
    - Sally: 10%
    - Jace: 15%
    - Colton: 15%
